Project initiation

Project Sponsor

Create Charter → Update Charter

yes ← continue? → no ●

Project Sponsors must be a Member, Strategic Partner or Associate Partner, Project Sponsors influence the direction of the Association by proposing new projects

Project Charter

Steering Committee

no

Review Charter → approve? → yes → Establish PMC and appoint Project Lead

SC will review Charter to determine if there is sufficient support from Members and Partners to operate a project team and whether the project is compatible with the purpose of the OpenWIS Association

PMC will initially comprise one delegate from each participating Member or Partner

Technical Committee

Appoint mentor to PMC → Allocate technical resources to project

Technical resources include things like repositories, work-spaces, testing environments

Project Managemt Committee

Establish project teams → ●
